I agree and either of those other items work just as well, it just seems that there needs to be more in the package.

Problem with shirts is keeping (storing) all the sizes. I am more inclined to give a mug, keychain, a one-size-fits-all token with our logo.

Looks good – still maintain that we should add a “Polo” or “T-Shirt” as part of the membership perks or some sort of other “Swag” if you will
